IBR APPROVED CONTRACTOR IN ORISSA AND JHARKHAND
LEADING SUPPLIER OF CRANES AND CONSTRUCTION EQUIPMENT

ABOUT US

M/s. Munna Construction Company Private Limited is a Private Limited firm running successfully with the able leadership of Sri Narendra Singh as Managing Director from 07.02.2004. Munna Construction Company Private Limited (MCCPL) is presently engaged in Crane and other construction equipment rental, Rigging, fabrication and erection of IBR and Non – IBR steam Piping, CW pipe, Cross country pipe line and structural fabrication and erection, Equipment erection, Boiler Erection and commissioning, fabrication and erection of Auxiliaries job at Tata Steel and Bhushan Steel.

Our crane fleet ranges from 12 MT to 350 MT cranes of all crawler, Truck mounted, All-Terrain, Lattice boom and Telescopic cranes. We are capable of handling all of your lifting needs. We also offer boom lift services. To ensure you get the right crane for the job, we offer free on-site support from our field engineers.

MCCPL is committed to providing customer service to the highest standards. It demonstrates our commitment to provide high quality of service for your business. Our dedicated experienced teams are trained to respond to your requests, and concerns quickly and professionally. We want our customers to trust and value the services we provide to them.

The firm has committed for completion of project in time with better Quality and Safety standards by adopting better Project Management. The company uses latest tools such as Microsoft projects, Lean practices and many more for making project execution smooth and easy to control.

QUALITY POLICY

Munna Construction Company Private Limited ensures that this statement and the associated procedures apply to all activities and work undertaken within the company. Quality is at the core of everything we do. Since the company was founded by Mr. Narendra Singh in 2004 the company has focused on delivering quality to our client on time. This is straightforward to us. We recognize that it's better for us, and better for our clients, to commission the project first time round. We aim for zero snags and we invest in the training, technology and suppliers to allow us to do this. To do this, we try to make value chain instead of supply chain.

We also update our standards and policies with changing technologies and government rules. Our policies are defined by senior management within the company and reviewed annually to ensure that they are aligned with current industry requirements.

Each step of the project is extensively documented on site. Checklists are signed off before final painting is done, and certs are obtained for all product used. Our Team of quality managers and inspectors visit each project regularly and ensure compliance with construction regulations and a timely finish you can be proud of.

Quality Statement

"Quality in a service or product is not what you put into it. It is what the client gets out of it. And we strive to provide the best service to our clients."

SAFETY POLICY

Munna Construction Company Private Limited(MCCPL) has developed a culture of safety with all of our employees through regular coaching and training program. At MCCPL, we work with complex, intricate mechanical and heavy erection jobs in all stages of construction and ongoing service. The safety of everyone on our job sites is our top priority. Our safety policy is designed to protect our people and our clients' employees while maximizing construction efficiency and facilitating on-time project completion.

Our safety program is recognized as a model for effectiveness in accident prevention and protecting the health, safety, and well-being of our most important resource, our people. Employees adhere to safe-work practices and procedures that are outlined in factory safety manual. We have full time safety engineers at sites who monitor every action and make sure things are done with proper precaution. Our aim is send every one home the same way they came in.

We care about the safety and health of all company employees and site visitors. For that reason, our safety policies are exacting and our job site culture makes safety measures an indispensable part of daily operations. Our safety policy is designed to:

- Provide and maintain safe and healthy working conditions
- Create and maintain operating practices that will safeguard all employees and persons who enter our sites
- Comply with all safety laws and regulations

SAFETY STATEMENT

"Safety is more important than convenience. No job is so important that we can't take the time to perform it safely. Stay safe, stay productive."

LIST OF TOOLS AND TACKLES

Sl.No.	Description of Plants & Tools	Quantity(Nos)
1	MIG Welding Machine	30 Nos.
2	Rectifier welding machine	200 Nos.
3	Transformer welding machine	45 Nos.
4	Chain Block = 20 Ton, 10 T, 5 T, 3 T, 2 T	100 Nos
5	Electrical Winch machine(Different sizes)	10 Nos.
6	Cutting Torch	200 Nos.
7	Argon Welding set	35 Nos.
8	Pug Cutting machine	50 Nos.
9	Magnetic Drill Machine(Different sizes)	30 Nos.
10	Stand Drill Machine(Different sizes)	10 Nos.
11	Winch machine (Different Capacity)	8Nos.
12	Plate Rolling machine 1 "	3Nos.
13	Pipe fitting hydraulic and mechanical clamps	30 Nos.
14	Grinding Machine (AG-7, GQ-4,AG-5)	80Nos.
15	Ceiling = 20 T, 10T, 5T cap	95 Nos.
16	UT machine	2 Nos.
17	SR set	8 Nos.
18	Radiography camera	1 Nos.
19	Heat induction machine- MILLER PRO HEAT 35	2 Nos.
20	Hyd. Pipe Bending Machine	5 no.

LIST OF TECHNICAL MANPOWER

The following good and experience Engineers, Supervisor,
Skilled and Unskilled workmen having with us.

Sl.No.	Designation	No. of Heads
1	Vice President	1
2	RE/PM/DGM	6
3	Sr. Site Engineer	8
4	Mechanical Engineer	15
5	Quality Engineer	6
6	Supervisor	25
7	Storekeeper	5
8	Commercial	8
9	Structural Fitter	20
10	Safety Supervisor	4

OUR VALUABLE CUSTOMERS

1. Bhushan Steel Ltd., Meramandali, Dhenkanal, Odisha
2. Tata Steel BSL Limited, Angul, Odisha
3. Orissa Sponge Iron and Steel Limited, Keojhar, Odisha
4. TATA Project Ltd. Jamshedpur, TATA.
5. Thermax Engineering Ltd. Pune
6. Ashoka Buildcon Limited, Nashik
7. Stewarts & Lloyds of India Ltd. Tisco, Jamshedpur.
8. U.B Engineering Ltd., Pune
9. Usha Martin Industries, Jamshedpur, TATA
10. Tata Growth Shop, JAMSHEDPUR
11. Monnet Ispat & Energy Limited, Odisha
12. M G M Steel Limited. Dhenkanal, Odisha
13. Gayatri Projects
